

PETITION

TO THE LEGISLATIVE ASSEMBLY OF ONTARIO:

WHEREAS the McGuinty government is downloading hundreds of millions in health care costs to Ontario pharmacists and consumers;

AND WHEREAS pharmacists are valued health professionals in private practice and cannot sustain present service levels under these conditions;

AND WHEREAS many smaller pharmacies will close and larger ones will have to drastically cut valued services;

AND WHEREAS this attack on pharmacies is just one example of the McGuinty government's program of cutting health care in Ontario.

We, the undersigned, petition the Legislative Assembly of Ontario as follows:

That the McGuinty government stop its cuts to pharmacies.
